

# WE'VE GOT YOU COVERED.

## Build Confidently with Kryton.

Kryton offers the best-in-industry warranty that guarantees Krystol-treated areas of your structure will remain watertight during the warranty period. Our standard warranties include the leading 25-year warranty for our Krystol Internal Membrane (KIM) admixture and 10-year warranty for our surface applied products. Want further assurance? Kryton has the only crystalline waterproofing admixture associated with projects that have outlived their warranties.

All Kryton products are covered by our standard warranty, which guarantees every product is free from defects of manufacture. Our extended Kryton Assurance Program is a 10-year warranty that covers all labour and materials required to repair any leaks that occur at no cost to the owner or builder.

*The Boeing Development Center was constructed using KIM in 1983 and has well out lived its warranty.*

## Industry Expertise

Kryton not only meets industry standards such as ICC-ES and NSF International, we help raise them. We work with industry, academic and government bodies around the world to develop certification standards and testing methodologies.

The logo for the British Board of Agrement (BBA). It features a stylized red and blue roof-like shape above the text "BBA" and "BRITISH BOARD OF AGREEMENT". Below this, it says "CERTIFICATE No 05/4217".	<b>British Board of Agrement (BBA)</b> – No 05/4217 Krystol Internal Membrane-HS (KIM-HS) a reactive crystalline admixture used to provide watertight concrete.
The European CE mark, consisting of the letters "C" and "E" in a stylized, interlocking font.	<b>European CE Mark (CE)</b> – Krystol Internal Membrane-HS (KIM-HS) meets all applicable European Union directives, safety guidelines and quality standards.
The NSF logo, which includes the letters "NSF" inside a circle, with "Certified to NSF/ANSI 61" written below it.	<b>NSF</b> – Krystol products are certified by NSF to NSF/ANSI standard 61 Drinking Water System Components — Health Effects. NSF is a widely respected worldwide certification provider that develops national standards for food, indoor air, environment and water.
The GB logo, which consists of the letters "GB" inside a circle, with "STANDARDIZATION ADMINISTRATION OF CHINA" written around the perimeter.	<b>GB Standard</b> – Chinese national standards issued by the Standardization Administration of China (SAC), the Chinese National Committee of the ISO and IEC. Mandatory standards are prefixed "GB".
The logo for the Dubai Municipality, featuring a stylized building and the text "DUBAI MUNICIPALITY" below it.	<b>Dubai Municipality (UAE)</b> – Krystol Internal Membrane (KIM) has received a "Technical Approval Certificate" from the Dubai Central Laboratory Department as a concrete admixture to enhance water resistance and durability of concrete.
The logo for the International Code Council - Evaluation Service (ICC-ES), featuring the letters "ES" in a stylized font.	<b>International Code Council - Evaluation Service (ICC-ES)</b> – Krystol Internal Membrane (KIM) was the first chemical concrete admixture certified by ICC-ES, a non-profit U.S. organization that reviews and evaluates building products, materials and methods to ensure they comply with applicable building codes.
